Six Qualities of Successful Mary Kay Consultants

(answer yes or no)

___ **Are you a Busy Woman?** Busy people get the most done! They are easier to train! The average consultant works a full time job, is married, and has a couple children! She is a busy person.

___ **Are you Money Motivated?** We look for people who want more, need more, and are willing to do the work!

___ **Are you a Person that is NOT the Sales type?** High pressure sales people run customers away! High pressure sales people work better with a ONE TIME sale, not a reorder business like Mary Kay!

___ **Are you a person that realizes you would not get rich selling to your Family and Friends?** We teach you how to meet REAL customers in an easy way. Family and friends that you know want discounts or something for free!

___ **Are you Family Oriented?** We look for women that use their family as a reason to do well, not as an excuse NOT to do something!

___ **Are You a Woman that Can Make Up Her Mind?** We look for people that realize there is NEVER a perfect time to do anything and are NOT victims of their circumstances! If you are interested in something, you realize there is no such thing as a "perfect time" to do anything.
